Workshop for the month: Silk Ornament Painting with Sandi Lang (See below)

From the President: After a long, hot summer, we are finally being blessed with “perfect” weather - chilly in the morning and warm in the afternoon (a nightmare challenge for dressing children for school, to be sure!). Those who went to the Great Gulfcoast Art Festival found the wind pretty chilling, but it was a crisp, Fall week-end and the crowds were humongous.

As you gather for the November meeting and workshop (which I hate missing), I will be on the way to Washington DC with hubby Jim, daughter Paula, and granddaughter Emma, a trip we have been planning and dreaming about for over eight months. I lived there as child and teen and am anxious to “see” the wonderful places through the eyes of

Emma, who was adopted from Guatemala.

PROFILE - Who is our member whose middle name is Fay? Who has a son who is in Nashville trying to make “the big time?” Who is a grandmother? Who is probably the most prolific of our artists... always making something? Who gets excited with scraps of silk, yarn, beads, ribbon? Who, besides being multi-faceted and creator of many mediums, is still a self-taught artist? Who is a Gulf Coast native? Who still substitutes in our county schools? Does she ever sleep? You have experienced the many workshops she has shared with us and have laughed at her crazy creatures.....you know her better as Darlene Samuel.

OCTOBER WORKSHOP- “Painting on Silk” with Sandi Lang - Participants will complete two silk Christmas ornaments using the techniques of applying a resist, applying silk paint, using salt as a design enhancer, then heat setting and finishing. This workshop will take 3-4 hours so please bring a sack lunch! There is a \$4 fee for materials. The only thing participants need to bring is a craft heat tool, if they have one. Otherwise, just bring yourself. Please let Sandi know if you are taking the workshop so she will have sufficient materials.
