Workshop for the month: Acrylic Painting with Marianne Arroyo (See below)

From the President: I have to begin this month's newsletter with a HUGE round of applause for all of those who helped make the Yard Sale and ArtFest a success. Since the last newsletter, we spent three week-ends together in one way or another and I am grateful for all the hard work that went into our two big events. (Note to self: we do not do the Yard Sale and ArtFest two weeks apart again!!!!) Now that those two exhausting events are behind us, we can concentrate on our 2010-2011 year ahead and look forward to some wonderful workshops. The dues we pay yearly give us the opportunity to participate in some fantastic workshops; the \$30 is worth it if we only stay for one workshop a year! While our "fiscal year" is June 1 to May 30, our year of activities begins in Sept. so the Board in a recent meeting agreed that the explanation of dues in the by-laws is somewhat confusing. We propose that dues should be paid in Sept. for the coming year, with their delinquent date being Nov. 15. That way the Treasurer doesn't have to pester people for dues all summer long!

PROFILE - If I told you the birthplace of this month's artist, you would guess who she is right away. A newcomer to Santa Rosa county, this month's artist is the wife of a former Navy man and has little ones, two and three. She has lived all over the world as her dad was in the Navy. She has already thrilled us with her beautiful pastels and she declares that she is still learning. Her inspiration artists are Boudin, Monet and Renoir and it shows in her soft colored works. Besides being a wife, mom, artist, and teacher at PSC and Pace, she plays the piano. Oh, I forgot to say that her father was in the FRENCH Navy.....hope you have figured out now that this month's artist is Sabine Walsh.

OCTOBER WORKSHOP- Will be Acrylic painting with Marianne Arroyo. She comes to us due to the urging of her PSC students, Paula, Lorraine and Phyllis. They have all learned a lot from her and wanted her to share her gifts with all of us. Please let Lorraine know if you will be taking this workshop so Marianne can bring sufficient supplies. If you are going to take the class, please bring a water container, paper towels, and any acrylic paint and brushes you have. If you do not have any, those of us who do have acrylic paints will share with you. Marianne is bringing canvas sheets.

ANNOUNCEMENTS:
