Workshop for the month: Calligraphy with Dona Stenstrom (See below)

From the President: The LONG HOT summer will officially end Sept. 22 but it doesn't look like we are going to get a break from the heat; hope we don't go directly from summer to winter on the 10th of November!!!! But it is September and we are ready to launch another year of activity. We start out with a bang this Saturday with our 2nd yard sale (I'm not going to say "annual" as yet) and then in two weeks, with ArtFest, the ninth year of the SRAA art show and our third Members' Show. With our meeting sandwiched in between, we will be spending three week-ends together!!!!

PROFILE - This month's artist was born in Duluth, Minn. and lived in San Francisco before coming to Santa Rosa county five years ago. She is married, has two sons and is "mommy" to two West Highland terriers. Although she has a degree in communications with a minor in art, she loves to continue learning, taking classes at PJC in drawing and watercolor. Her main medium is stained glass. She has accompanied us on our recent "ArtWalks," and is a delightful asset to our art association. We look forward to getting to know Phyllis Ryan better!!!!

SEPTEMBER WORKSHOP- Will be Dona Stenstrom's intro to Calligraphy. Please bring pencil, ruler, scissors and non-bleeding paper. If you have any calligraphic pens (Schaeffer's, Speedball, etc.), please bring them. Those of us who have calligraphy pens will share with those who don't. I have had no calls or emails that anyone plans to take this workshop but I am sure there are quite a few of you who are, so please let me know by Thurs. so Dona can prepare accordingly.

Announcements:

YARD SALE - This Saturday's sale will only be as successful as the time and energy that we put into it. Five or six SRAA members should not have to do this on their own. **ALL** our receipts go directly to our teacher grants, so every penny we make helps some teacher in a Santa Rosa school. If you have not yet volunteered to bring items, to help at the sale, to put out signs, to email all your friends and family---please do so today.

ArtFest is two weeks away. We need workers to help in the kitchen, folks to bring baked goods to sell. We will have sign-up sheets at the September meeting; if you are unable to make the Sept. meeting, we will be calling members for help. ArtFest is part of the Beaches to Woodlands event this year and I have already heard the ads on 102.7. 75 members of the Avalon Middle School Band will be with us, along with their parents, which is exciting.

Plein Air Art Show with works by Janie Seal and Sally Miller will have its opening reception at the Wright Center, 80 E. Wright St. in Pensacola on September 24, 5-7 p.m. The show hangs until Oct. 17.

Wishing you happy creating.....don't let a day go by that you don't CREATE something, even if it is just in your mind!!!!!!
